

List of Gender Neutral Restrooms on UC's Campus

We do our best to keep this list up to date and as easy to use as possible, however that is not always an easy task. This list is divided up by West Campus, East Campus, Off Campus, and Other Campuses, and under each category the locations are alphabetized. If you know of a gender neutral restroom that we missed please contact us at genderbloc@gmail.com to let us know!
