

Design Guidance:
***Unisex/Gender Neutral
Restrooms***

*Department of Planning+Design+Construction

The University of Cincinnati is dedicated to meeting the diverse needs and interests of its students, faculty, staff, and visitors including those who identify as lesbian, gay, bisexual, transgender, queer, intersex, or are questioning their sexual orientation or gender identity (LGBTQ). In an effort to meet the diverse needs, all new buildings and buildings undergoing half-life renovations (a major renovation where the majority of a building's systems is being replaced or upgraded) shall have a unisex/gender neutral restroom.
